2,500 sq. ft. of Prime Downtown Northbrook Restaurant Space

This new construction building is the home of GoGlobal Office Suites™ (www.GoGlobalOfficeSuites.com) and is directly adjacent to Northbrook's Metra Station.

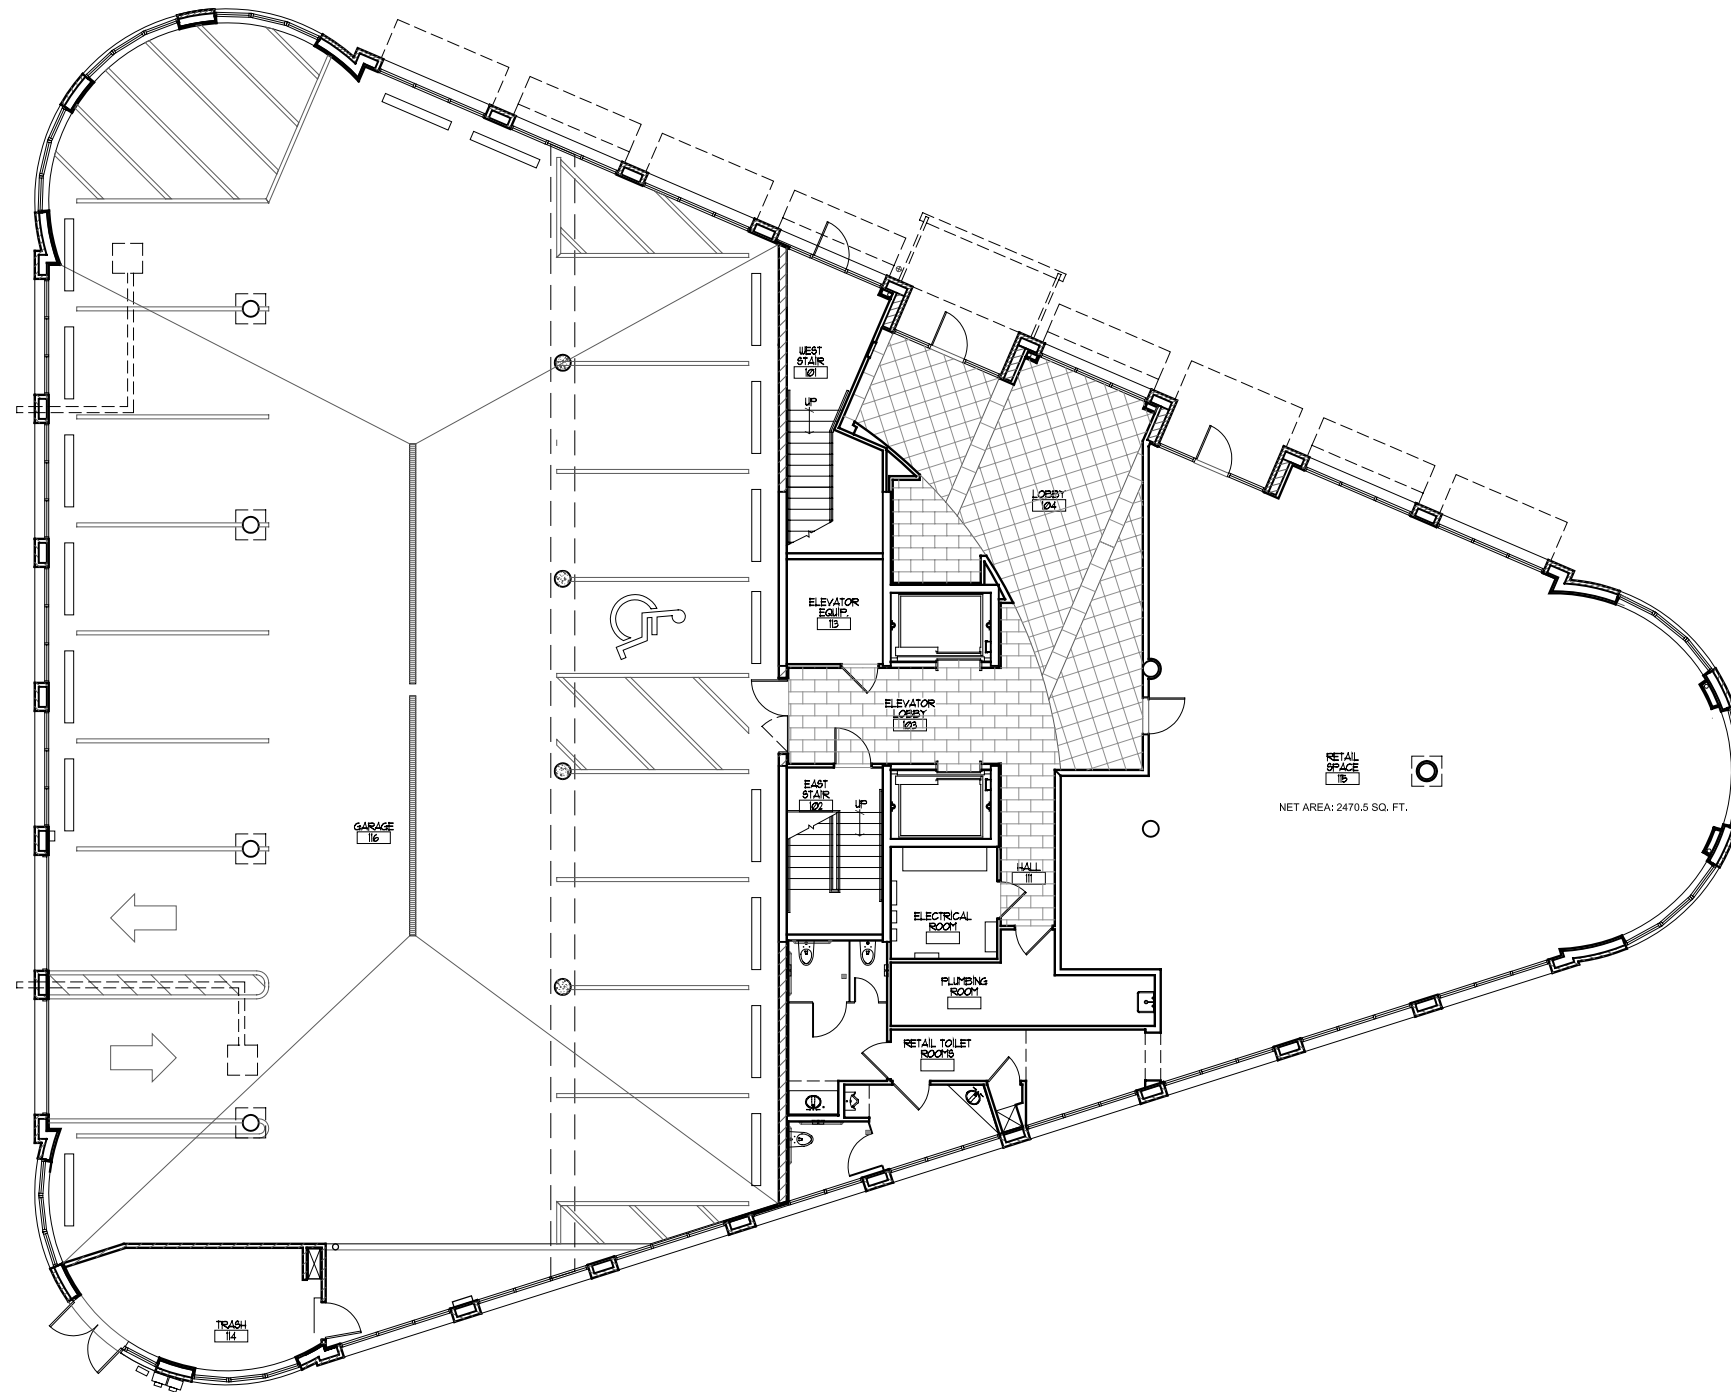

The space is designed specifically for a restaurant in mind with built in men's and women's restrooms, its own dedicated roof top HVAC unit, and an opening for a future black iron for exhaust.

The gorgeous facility is the newest addition to the revitalization of one the Chicago's most prominent suburbs. This location is amazing and the residents of Northbrook as well as the Metra commuters are excited about the possibility of the new restaurant/café.
